	Scratch Series	789	Roxanne Sekyra	573	Rosa Martinez	488	Jessica Janovich

### Important Messages

#### HANDICAP

Each bowler's handicap is figured by subtracting their average from 240 & multiplying that figure by 90%. It has already been figured for you on the standing sheet. To figure your team's handicap for each game, add together th handicaps of the peoploe bowling & write it on the tally sheet.

#### ABSENT BOWLERS

Take 10 pins off the highest absent bowler's average & use that figure for their score. Use their handicap on the standing sheet to figure the team's handicap. Write ABS on recap sheet next to their name.

#### SUB OR NEW BOWLER

Please print bowler's WHOLE NAME on the recap sheet. A new bowler's average is figured after they bowl all 3 game You will not be able to figure the team handicap until the new bowler's average is figured.
