Important Messages

HANDICAP

Each bowler's handicap is figured by subtracting their average from 240 & multiplying that figure by 90%. It has already been figured for you on the standing sheet. To figure your team's handicap for each game, add together the handicaps of the people bowling & write it on the tally sheet.

ABSENT BOWLERS

Take 10 pins off the highest absent bowler's average & use that figure for their score. Use their handicap on the standing sheet to figure the team's handicap. Write ABS on the recap sheet next to their name.

SUB OR NEW BOWLER

Please print the bowler's WHOLE NAME on the recap sheet. A new bowler's average is figured after they bowl all 3 games. You will not be able to figure the team handicap until the new bowler's average is figured.

NO BOWLING DATES

There is no bowling on December 11th, December 25th, & January 1st.
